

Dropping Stuff Lab

- I will drop each of these from the ceiling at the same time...

tennis
ball

steel
marble

paper
wad

**Which do you think will hit the ground first?
Write your prediction as an ordered list.
We will use video to test your prediction.**

- I will drop each of these from the ceiling at the same time...

tennis
ball

steel
marble

paper
wad

Using the video clips write down the time to fall data for each object.

Write your conclusion based on the time data.
